

HIGUERONAL CHURCH OF CHRIST

Missionary Report

August 2009

SOCIAL RESPONSIBILITY

The Honorable Representative of Torti, Agapito Barría, carrying one of the 50 boxes of clothes donated for the town council. The Representative made this request to brother Gregory and we made the delivery. Many thanks to Greg for your good work.

This is UVITA, baseball trainer for children in Torti. We donated to him this equipment to continue the education of the children in this sport.

Mr. Rubén Meléndez suffered an accident, and he asked for help from us with some crutches.

Charlie did not have shoes to go to school, and we donated shoes to him – shoes for his gym class and for sports. He was very happy.
